

MEDICARE BENEFICIARIES, WE NEED YOUR HELP!

If you have worked with a health insurance agent to help you understand your coverage, enroll in Medicare, get help with a claims issue, or find affordable ways to get your medications, please take a few minutes to share your experience! Legislators need to hear more from consumers about your experience navigating health insurance coverage and hearing the role an agent has or has not played in this journey.

1. Can you share a story about how your agent or broker has helped you navigate and select Medicare coverage?

2. What concerns do you have about your Medicare coverage and changes happening in the market?

3. Which state are you from?

4. Which city are you from?

5. Have you been previously enrolled in a Medicare Advantage or traditional Medicare plan? Select answer below.

- Medicare Advantage
- Traditional Medicare
- Both; at different periods in time

Return back to your agent or mail back to NABIP at 999 E St NW, Suite 400, Washington DC, 20004.

THANK YOU FOR YOUR TIME!
